

# Steps to Reduce the Risk of **COVID-19** for Residents

1

Stay home and avoid contact with others. If you or someone in your household feels sick, do not leave the home

2

Do not use common outdoor areas, picnic table, benches, pools, playgrounds

3

Wash your hands often or use hand sanitizer, clean and disinfect household surfaces frequently

4

Pick one day a week to do all your laundry or other activities within the complex

5

Limit trips for groceries, gas, and other household needs. If you must go out, stay at least 6 feet away from others

6

Only allow visitors providing essential services that can't wait and can't be done over the phone or online.

Have a fever, cough, sore throat or shortness of breath. Contact your healthcare provider.  
If you do not have one call the Ask-My-Nurse (713)-634-1110
